It is a defense game to protect the castle from enemy attack. The enemy's attack will become stronger and stronger, but you will become much more powerful with upgrades to your defense. There are many powerful enemies and bosses to be defeated.

You will be able to unlock new weapons, special impulses and other resources that will help you in this battle. You can alternate between the modes during the gameplay only with one command swipe down.

Also there is another very cool command swipe up. The protagonist is a brave warrior Kaytsunik , belonging to the Umik tribe. Kaytsunik had a beautiful amulet, a traditional relic from her family, in which it had been kept for generations. This amulet was very powerful, but its power fell asleep after a big battle in the past and, only a person belonging to the Umik tribe and pure in heart, could again awaken this great power.

Umik dominated Gray Magic, but, being practically extinct after several battles, the tribe forbade the use of any kind of magic, as they believed that magics attracted wars.

After some intriguing events, Kaytsunik was accused of practicing Black Magic and was expelled from her tribe. After being expelled, Kaytsunik created a big castle, and discovered that the amulet grants immortality a fact known after resuscitating her son who had died during childbirth. With that, the news spread and a powerful wizard Morttuks was willing to take the castle in search of the relic. Morttuks can revive the most powerful warriors of all eras to fight for him.

So Queen Kaytsunik needs to strengthen her defense and fight to defend her castle! Left To Survive combines a shooter action game with a post-apocalyptic world where zombies have enslaved the Earth and taken control. Life is no longer what it used to be: humans are running for their lives, and the Earth belongs to the undead from now on.

Join tournaments, collect an arsenal and get valuable gear, build a base — a new home for many survivors, start expeditions to meet the heroes of this post-apocalyptic reality, challenge other players in PvP matches and helicopter raids, and show your shooting skills. No place to run or to hide. Become a hero of this post-apocalyptic reality and shoot up all the zombies.

Start the Campaign, follow the story, and rid the Earth of the undead hordes! Help humanity to rise up like a phoenix from the ashes. On your mission to save the world from zombies, a huge range of weapons and gear will be at your service.

Make a choice and pick the right one from assault weapons and sniper rifles to machine guns and shotguns that will help you to shoot up all the zombies in no time. Equip your hero with gear to enhance his skills and powers.

Upgrade and evolve weapons and gear and make heroes more powerful. Unite them ALL! Meet all the heroes of the post-apocalyptic world. Back in the day, they were totally different people, just ordinary humans. Now, it's their duty to protect the world from zombies. Each of them has unique skills and abilities. Upgrade and evolve them to level up their skills. Last, but not least, gather all the survivors to give them new hope and new home.

These specialists can improve your base and make life easier. Raid other bases with your helicopter and collect resources. It won't be that easy to take resources out from under their noses. Equip the helicopter with a powerful weapon and upgrade it to have a successful raid. It's the perfect opportunity to challenge other players, to gain more shooting experience, to find out who is the best shooter among you, and to train before you face zombies as well.

Play in 2x2 matches or solo. Team up with your clanmates and challenge other players together. Build your BASE! To survive and make the future bright, build a new home for yourself and other survivors — your base.

Turn it into a place where everyone can find shelter and feel safe: produce food and resources, arm your heroes with unique abilities, modify weapons, etc. Fortify it to protect it from raids and looting. An artifact designed specifically for workers to vent! Shoot, shoot it! Take you to every work point!
